TESTIMONIALS

"In this book, you will not read about love. You get to witness Love. It is so contagious, in fact, that you will feel whisked away into this giddy, spunky, irrational romance with her God of Love. Then, you will turn the page and find yourself crying as she drops a truth-bomb that hits your soul like a wrecking ball."

Karen Welton, Welton Academy

"This book clearly shows you how to experience the reality of God in your life. I highly recommend this book as an essential to understanding the Christian life!"

Gary Oates, Gary Oates Ministries

"Oh, how I wish everyone could read this book! it's almost like Catherine is inviting you into God's living room, exploring the wonder of it, and then telling you 'this is your home – welcome Home!' "

Pastor Joseph Barlow, Joseph Barlow Ministries

FAQ'S

Identity is such a big part of your message, what would you suggest to someone who is looking to see themselves as God sees them?

First of all, they scripturally need to understand that God is Love and He is enraptured with His creation! As the Lord ministers through His word, rightly interpreted, we need to bring to Him whatever is balking at the truth in us. When we encounter Him – His love, His Truth, and let Him rewrite the lies, programs and even the memories on our hearts, we literally are transformed. We can believe in our heart of hearts that His love and His truth are so true that THEY become our default subconscious programs!

Why is the Christian definition of Love so powerful and unique?

Well, first of all, Love is a Person – not just what He does. He is the Source of all love, whether or not people know Him, accept Him or recognize that He is the Source. All creation was created in Love – it is the glue that holds everything together. Love is all about other people – not about what we can get from them, but what we can give to them. Love is not self-seeking – it is other-centered. Love never fails!

What inspired you to write *Marked by Love*?

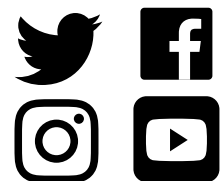

I knew (and it had been spoken over me) that I was to write. I had false starts for years, because God had to work in me so very deeply and comprehensively the very things I was to write about. I had to be healed, transformed and to learn my identity so unshakably that I could release the very things that transformed me. When it was time, the book had a life it's own and I essentially wrote it in a few months.

ADDITIONAL INFORMATION ABOUT "MARKED BY LOVE"

God is a Person. He is Love. Marked by Love is a deep, high, and joyous exploratory romp in into the expanse of the Person of Love. He is an endlessly hopeful romantic and unabashedly passionate. Love will not be confined.

This volume not a book about love, written from the outside in. This book IS love, written from the inside out. It is wildly adventurous, passionate, Spirited and free - just like Love is and how we all dream relationship can be in our lives. Written in a down-to-earth style that we can all relate to—you will laugh, cry, question, wonder in amazement, fly, pray, and enjoy the straight-out truth packed inside.

In this living organic invitation, Catherine not only opens her heart and Love relationship with intense surgical precision, but joyfully and confidently walks the reader through each step of that surgery for themselves. It is reminiscent of how an excited parent watches their kids on Christmas morning open each present with anticipation. The gifts given are thoughtfully and lovingly designed - wrapped with that specific child's joy and wonder in mind.

If you're looking for a truly fresh and playfully unorthodox (thank God!) exposé of true relationship with all of its beauties and uglies, this "heart-on-pages" is not just something you read; it's something that jumps into your soul and pulls you into its engaging and experiential realm.

As you connect with Him, you will be able to see yourself in the exquisite way you were created. From that place, you will be empowered to walk in your life purpose.

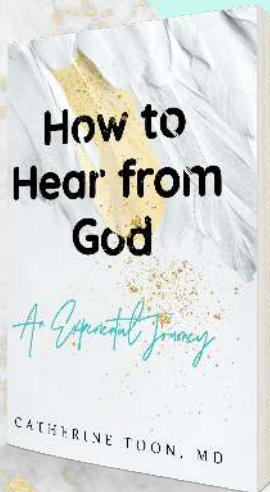

Since Marked by Love is designed to grow with you as your relationship with Love grows, you will be able to read and engage with this book this over and over as seasons in your life change.

In short, it would be impossible for Marked by Love to leave you as it found you.
